

ODV Commercial License Packages

The Alfred Wegener Institute (AWI) offers the following terms of license for the commercial or military use of the *Ocean Data View* software at your company or institution:

License Options

- 1) *Single User License*: EURO 1800
- 2) *Site License*: EURO 4800

The *Single User License* entitles you to install ODV on one computer; the *Site License* allows ODV installations on an unlimited number of computers at one site of your company or institution.

Update Options

- a) *Standard Update Option*: The ODV software including all updates and new features installed within one year after purchase may be used indefinitely without additional payment.
- b) *Periodic Update Option*: If you want to update your software regularly beyond the first year, you pay 10% of the purchase price per year.
- c) *One-off Update Option*: If you want to update an earlier software license (purchased with Standard Update Option), you pay 50% of the current purchase price. This option entitles you to install all new releases within one year after purchasing this update.

To obtain the license, please send an e-mail to [odv_license](mailto:odv_license@awi.de) at awi.de. Please indicate the type of license you wish to order and please specify the full name and postal address of the company/organization for which the license is intended. AWI will then send you an invoice, and the license will be issued once the payment is received.

In the case you chose the *Periodic Update Option* you will receive follow-up invoices for the following years.

If you have further questions, please do not hesitate to contact [odv_license](mailto:odv_license@awi.de) at awi.de.
